

THE TOPIC TALLY SHEET

5 steps to find the topic your own audience already responds to.

Your own numbers can tell you what to post next. Instead of guessing, look at what already worked in the last ninety days, find the one topic that shows up most, and make more of it. Menu names change with app updates, so look for the closest match on your screen.

THE 5 STEPS

1. Switch to a professional account. It is free, and it unlocks your insights.
2. Open the professional dashboard and find Content you shared.
3. Set the time range to the last 90 days.
4. Look at reach first, then at the saves and shares on your top posts.
5. Find the one topic that shows up most, and make your next ten posts about it.
