

THE STORY POLL SHEET

30 poll questions for local businesses and a 24-hour tracker.

The idea: one photo, one poll, up for the full day. Every tap lands on one slide, so people interact with one thing. Then reply to every vote, because a vote is a free conversation with a future customer.

THE 5 PARTS

1. Take down your old stories so only one slide is left.
2. Post a single photo. No video, nothing before it or after it.
3. Add a poll that makes people pick a side.
4. Leave it up the full 24 hours and post nothing else that day.
5. Reply to everyone who votes.
