

THE FREE CONTENT SITES LIST

5 free websites that speed up your content.

These are third-party websites. Features, free limits and license terms change, so check each one before you rely on it. Use them to find topics, design faster, source footage and tighten your writing.

THE 5 SITES

1. Google Trends. It shows what people are searching for right now.
2. Canva. It has templates for carousels and thumbnails, and a free plan with limits.
3. Pexels. It has free stock photos and video. Read the license each time.
4. CapCut. It is a quick video editor, and the free version has limits.
5. Hemingway Editor. It helps you make your writing simpler.

THE 5 WEBSITES

Website	Use it for	Watch out for
Google Trends (trends.google.com)	See what people are searching for	Shows relative interest, not exact counts
Canva (canva.com)	Templates for carousels and thumbnails	Free plan has limits
Pexels (pexels.com)	Free stock photos and video	Read the license each time
CapCut (capcut.com)	Quick video editing	Free version has limits
Hemingway Editor (hemingwayapp.com)	Make your writing simpler	Features change

A 20-MINUTE CONTENT WORKFLOW

- Check Google Trends for a topic people search for (3 min)
- Write the script in plain words and run it through Hemingway (5 min)
- Grab footage from Pexels if you need it (3 min)
- Design the cover or carousel in Canva (5 min)
- Edit and caption in CapCut (4 min)

Educational only. Third-party sites; features, limits and licenses change. Not affiliated with any of them. Educational only. Results vary by business and by account. No views, sales or income results promised.
